

**Four-Year Industry-Academia Collaboration
Bachelor Degree Overseas Youth Vocational Training Program
(OYVTP)**

Admission Prospectus for the 2026 Academic Year

School	Meiho University (MU)
Program	Department of Tourism (Hospitality and Tourism Services)
Program Description	<p>Program Objectives</p> <p>This program is designed for overseas students who are interested in both Chinese language learning and vocational training in Taiwan's industry-academia cooperation system. The objective is to cultivate students with strong Chinese language proficiency, professional skills, and practical work experience to enhance their future career development and employability.</p> <p>The curriculum is divided into three major areas:</p> <ol style="list-style-type: none"> 1. Chinese Language Courses – Strengthening students' listening, speaking, reading, and writing abilities. 2. General, Professional, and Internship Courses – Covering basic academic subjects, vocational training, and fieldwork. 3. Industry Internship – Providing hands-on work opportunities in cooperation with enterprises, enabling students to gain real-world experience.
Graduate Career Development	<p>Graduates of this program are trained to pursue careers in various fields of tourism and hospitality, including but not limited to:</p> <ul style="list-style-type: none"> • Hotel Managers • Housekeeping Staff • Hotel/Hostel Front Desk Clerks • Hotel Service Staff • Restaurant Service Personnel • Travel Agency Staff • Tour Leaders • Tour Guides • Operation/ Ticketing Personnel (OP/Ticketing) • Tour Interpretation and Guiding Personnel <p>This wide range of career opportunities ensures that graduates can apply their professional training to the tourism, hospitality, and service industries both domestically and internationally.</p>
Mandarin courses (online or on-campus courses)	<ol style="list-style-type: none"> 1. First Academic Year (Fall & Spring Semesters): Each semester includes a 3-credit, 6-hour Chinese Language course and a 2-credit, 4-hour Chinese Language Proficiency Test course. The course content will be adjusted according to students' proficiency levels to provide suitable Chinese learning support. 2. Second Academic Year (Fall & Spring Semesters): Each semester offers a 3-credit, 3-hour Advanced Chinese Conversation course designed to further develop students' oral communication skills. 3. Additional Support: The university's Chinese Language Center provides consultation hours with Chinese language instructors and arranges local student learning partners to assist international students in both academic learning and daily life adaptation.

Employment Counseling	Mechanism	School	Company / Industry Partner
	Student Selection	Organize special program admission briefings, explain the overall curriculum and related career development, and conduct student selection procedures.	Participate in admission briefings, provide information on relevant job vacancies, and jointly select students.
	Internship Guidance & Practical Training	Provide internship positions, manage internship assignments, and guide students before, during, and after the internship to deepen practical professional skills.	Assist students in understanding career orientation, provide professional hands-on training, and help students understand the development of relevant job competencies.
	Employment Retention by Company	Guide students to secure employment immediately after graduation.	Conduct interviews and select graduates from the special program for employment.
Further Education After Graduation	<p>1. Upon graduation, students are eligible to pursue further studies in tourism-related master's programs at leading universities. Options include the Master's Program in Tourism and Hospitality Management at National Kaohsiung University of Science and Technology, as well as the Master's Programs in Tourism Studies and in Hospitality Management at National Kaohsiung University of Hospitality and Tourism.</p> <p>2. Graduates may also continue their academic journey at our own university by applying to the Master's Program in Sport and Leisure Management or the Master's Program in Business Administration.</p>		
Scholarships and Financial Aids	<p>1. The OCAC provides the following grants and subsidies:</p> <ul style="list-style-type: none"> ● The first two years of tuition grant: each new student will be granted TWD 20,000 per semester during the first two academic years. (The tuition grant for national universities has been applied to actual charges, with a maximum limit of TWD 20,000) ● Excellent Conduct and Academic Performance Scholarship: Available for those with excellent academic performance. Those who have obtained certificates and competition awards will be awarded TWD 6,000 per person per academic year. ● Medical Insurance for Overseas Compatriot Students (6 months): A total of TWD 600 will be subsidized (before students enroll in National Health Insurance). ● Healthcare: Every student is required to enroll in National Health Insurance and pay the insurance premiums. Students who have proof of economic hardship (or financial difficulty document) are subsidized 50 % of the insurance premiums. (Current monthly subsidy is TWD 413). ● Work-study subsidy and economic hardship scholarship: TWD 2,500 per month for students who are offered work-study opportunities. ● Emergency Aid: Provided on a case-by-case basis. <p>1. Scholarship and subsidies provided by the University:</p> <ul style="list-style-type: none"> ● Full waiver of dormitory fees for the first academic year. ● From the second academic year onward, students whose academic and conduct scores in the previous semester are both 80 or above may receive a 50% reduction in dormitory fees if they continue to live in school dormitories.
